

ANTIMICROBIAL RESISTANCE SYMBOL

More materials here www.eu-jamrai.eu

Instructions

1. Print this page on a **A4 white sheet** and one copy on an **A4 red sheet**. If you do not have red paper you can fill half of the hearts with a red crayon. The result will be better if you use a thick paper (180-200 grs)
2. Cut out a **white heart** and a **red heart**
3. Cut a **small slit** in the side of both shapes
4. Flip one of the shapes around and **slide them together**
5. Put a **safety pin** (you can attach it to the symbol with tape)
6. Wear it with pride and raise awareness about Antimicrobial Resistance!

Simple shape

Slide together
